Appn. Number 10/800,307 (Matena et al) GAU 2113 Amendment D 22 of 23

**REMARKS—General**

Applicants thank the Examiner for the clear and understandable Office Action.

Applicants acknowledge the allowance of claims 7-12, 19, 21-34, 114 and 115 with appreciation.

By the above amendment, Applicants have canceled the claims that were rejected by the Examiner and amended the objected claims according to the Examiner's directions.

**Objections to Claims 3, 13-18, and 20**

Applicants have rewritten claims 3, 13, and 20 in independent form, including all of the limitations of the base claim and any intervening claims. Applicants left claims 14-18 in their original dependent form because these claims depend on base claim 13, now rewritten in independent form. Applicants respectfully request the Examiner to allow these dependent claims if the base claims rewritten in this amendment are allowed.

**Rejection of Claims 1, 2, 4-6, and 74**

Applicants have canceled the rejected claims.

**CONCLUSION**

For all the above reasons, applicants submit that the amended claims are now in proper form, and that the claims all define patentably over prior art. Therefore, they submit that this application is now in condition for allowance, which action they respectfully solicit.

Very respectfully,
